ENVISIONING THE

MASON

WE WANT!!

PROJECT DELIVERABLES MEETING

Students from the Department of City and Regional Planning at the University of Memphis will present a vision plan for Mason. This plan is informed by residents' and stakeholders' feedback from earlier community meetings. The plan comprises a vision, goals, objectives, and actions for the future development of Mason.

Students will also present images of a proposed revitalized downtown, and ask for additional feedback from Mason's residents to finalize the plan.
