WASTEWATER TREATMENT PLANT

The Town of Mason's NPDES Permit renewal for the Wastewater Treatment Plant was accepted by the State of Tennessee. The Renewal indicates the Town may request a new discharge to the Loosahatchie River. We have not received the NPDES Permit Renewal as of to date.

The Town is encouraged to get Standards and Policies in place as has been discussed by Mr. Ricky Oakley of Civil & Environmental Consultants, Inc. and by Mr. Ronnie Neill from MTAS. Mr. Ronnie Neill is retiring June 30, 2022.

The Town has engaged TAUD to conduct a Rate Study. The Rate Study was mandated by the State Comptroller's Office and was completed on June 3, 2022.
