### **2018 HOME REHABILITATION GRANT**

**As of March 2, 2021, The Tennessee Housing Development Agency that governs the Home Rehabilitation Grant has lowered the number of Open Bids for Contractor's to build from three (3) Bids to two (2) Bids due to increasing costs of building materials possibly associated with COVID-19. The Town of Mason received a total grant award of \$375,000.00. This will cover the reconstruction of the two homes, and the rehabilitation of the one home previously identified. The reconstruction of the two homes for Bids were placed in The Leader Newspaper in Covington, on Thursday, March 11, 2021, as well as an email sent to several pre-approved contractors by the State.**
