The auditor shall conduct the audit in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States and requirements prescribed by the Comptroller of the Treasury, State of Tennessee, as detailed in the *Audit Manual*. Additional information and procedures necessary to comply with requirements of governments other than the State of Tennessee are permissible provided they do not conflict with or undermine the requirements previously referenced. If applicable, the audit is to be conducted in accordance with the provisions of the Single Audit Act and Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*. The audit is also to be conducted in accordance with any other applicable federal agency requirements. Notwithstanding anything herein to the contrary, the Comptroller of the Treasury, State of Tennessee, acknowledges that the auditor's responsibility hereunder is to design its audit to obtain reasonable, but not absolute, assurance of detecting fraud that would have a material effect on the financial statements, as well as other illegal acts or violations of provisions of contracts or grant agreements having a direct and material effect on financial statement amounts. If the circumstances disclosed by the audit call for a more detailed investigation by the auditor than necessary under ordinary circumstances, the auditor shall inform the organization's management and those in charge of governance in writing of the need for such additional investigation and the additional compensation required therefor. Upon approval by the Comptroller of the Treasury, an amendment to this contract may be made by the organization's management, those charged with governance, and the auditor for such additional investigation.

- e) The component auditor shall cooperate with LGA to accomplish the group audit. It is anticipated that LGA will make reference to the component auditor's report in the group audit report.
